

## Number of Graduates

School	Departments and Courses	Academic Year of 2010	Cumulative Total
School of Liberal Arts	Liberal Arts	211	6,207
	Subtotal	211	6,207
School of Education	Training Course for Primary School Teachers	-	13,710
	Training Course for Junior High School Teachers	-	6,038
	Training Course for Teachers of Individuals with Disabilities	-	596
	Training Course for Kindergarten Teachers	-	651
	Training Course for Specialists of Social Education	-	587
	Training Course for School Teachers	452	3,764
	Training Course for School Health Nursing Teachers	28	52
	Training Course for Specialists of Lifelong Education	-	305
	Human Developmental Studies Course	1	214
	Subtotal	481	25,917
School of Economics	Economics	121	4,224
	Business Administration	131	4,566
	Social Environmental Design (Regular Program)	95	1,467
	Subtotal	347	10,257
School of Science	Mathematics	40	1,195
	Physics	28	1,172
	Chemistry	-	745
	Chemistry	49	596
	Biochemistry	-	543
	Biochemistry and Molecular Biology	36	485
	Regulation Biology	38	1,054
	Subtotal	191	5,790
School of Engineering	Mechanical Engineering	89	2,792
	Mechanical Engineering	-	
	Electrical and Electronic Engineering	-	222
	Electrical and Electronic Systems	79	1,005
	Electrical Engineering	-	661
	Electronic Engineering	-	626
	Information and Computer Sciences	-	255
	Information and Computer Sciences	53	731
	Applied Chemistry	68	1,784
	Environmental Chemistry	-	581
	Functional Materials Science	45	751
	Foundation Engineering	-	692
	Civil and Environmental Engineering	90	1,780
	Subtotal	424	11,880
Total		1,654	60,051
