

COMMENTS AND NOTES

TEA CEREMONY CLUB

We recommend wearing comfortable clothes as you will be sitting on tatami mats, but there are no specific requirements! There is nothing in particular to bring. Everyone is a beginner when you join! The seniors will kindly teach you, so there is nothing to worry about even if you don't know anything about tea ceremony! If you are interested in Japanese culture or tea ceremony, please come and visit us! We look forward to seeing you!

AIKIDO CLUB

Ladies, please wear short-sleeved T-shirts.
Let's experience the Japanese martial art of Aikido!

CALLIGRAPHY CLUB

Please come in clothes that you don't mind getting dirty. There is nothing to bring. You can take home any work you create. International students will have the experience of writing their favorite kanji or their own name. We hope you will enjoy the smell of the ink and the movement of the brush!

JAPANESE MUSICAL INSTRUMENT CLUB

Since you will be playing in a formal sitting position, we recommend wearing comfortable clothing. Clothes that allow you to roll up your sleeves to your elbows are best. In this club, we play traditional Japanese instruments such as the koto, shamisen, and shakuhachi. There are seniors and teachers who will kindly teach beginners. Let's enjoy playing Japanese instruments together!
