

SDGs x Culture x Art Experience

Day Trip Bus Tour in Saitama

【1】Event Overview and Purpose

This bus tour aims to deepen understanding of creating a sustainable society and promote international exchange while touring the diverse local resources of Saitama Prefecture. Through a tour of the SDGs factory at Ishizaka Sangyo Co., Ltd., participants will learn about the compatibility of environmental conservation and industry, experience cross-cultural urban development at Johnson Town in Iruma City, and experience the fusion of Japanese pop culture and art at Kadokawa Musashino Museum.

By learning, thinking, and discussing together, Japanese and international students will deepen mutual understanding and have an opportunity to develop a global perspective.
