Bayanihan in Action:

A Community Dialogue Workshop on Disaster Preparedness: Insights from Filipino Residents in Saitama City

Sa pakikipagtulungan ng Saitama University at Saitama City, isinagawa ang isang survey upang masuri ang antas ng kahandaan sa sakuna ng mga Pilipinong residente sa Saitama City. Sa workshop na ito, ilalahad ang mga resulta ng survey at susundan ito ng bukas na talakayan upang marinig ang mga pananaw at karanasan ng mga kalahok. Inaanyayahan namin ang inyong aktibong pakikibahagi tungo sa mas ligtas at mas handang komunidad.

In collaboration with Saitama University and Saitama City, a survey was conducted to understand the disaster preparedness of Filipino residents living in Saitama City. In this workshop, we will share the results of the survey, followed by an open discussion to hear participants' thoughts and experiences on disaster preparedness. We warmly invite you to join us in this dialogue toward a safer and more prepared community!
