- The toll-free service may not be available depending on area and device type.
- Overseas roaming fees may be charged even when using the toll-free service.

LINE App Free Call

1. Go to the website by scanning the QR code.
2. Press the button shown on the site.
3. Follow the directions and press the "Call" button.

- Please note you may be charged with packet communication fees.
- If your smartphone won't scan the QR code, type the URL instead.
<https://www.intac-net.co.jp/line/tss/>
- The operator will be happy to call you back at your convenient number but, due to a technological limitation, cannot call your LINE app back.
- The LINE free call may not be available depending on the area and device.

Direct Number

international prefix - 8 1 - 3 - 3 5 7 2 - 8 6 0 1

- As the international prefix varies depending on the country and hotel, please check it at your accommodation.
- When calling from your smartphone, please ask your smartphone operator for the international prefix.

Telephonic Health Consultation Service

Please call Global Risk Control Total Support Desk first, and tell the operator that you wish to use this service. The operator will transfer your call to the medical team.
(Language: Japanese only)
