

2026

KOREA-JAPAN

JOINT SHORT-TERM PROGRAM

1. Program Overview

Pusan National University (PNU) is pleased to host the 2026 Korea-Japan Joint Short-term Program, supported by the National Institute for International Education (NIIED) of Korea.

This program aims to promote academic exchange and mutual understanding between Korean and Japanese undergraduate students.

Participants will explore current economic and social issues in both countries and collaboratively develop practical solutions through lectures, field studies, and team-based projects.

2. Program Information

- ✓ Program Period: August 3 - August 21, 2026 (3 weeks)
- ✓ Location: Busan, Republic of Korea
- ✓ Field of Study: Business Administration / Economics
- ✓ Number of Participants: 20 undergraduate students
- ✓ Academic Credit: 3 credits awarded by PNU upon successful completion

3. Program Components

- ✓ Academic lectures in Business and Economics
- ✓ Project-based learning and team activities (Korea-Japan mixed teams)
- ✓ Field studies related to regional industries (e.g., tourism, finance)
- ✓ Korean language classes (beginner level)
- ✓ Korean culture lectures and cultural experiences

4. Financial Support (Fully Funded Program)

This program is fully funded by NIIED. The following expenses will be covered:

- Round-trip airfare
- Accommodation
- Program fees (lectures, field studies, cultural activities)

※ Participants are responsible for personal expenses.
